TRANSPORTATION  
and FEDERAL HIGHWAY  
ADMINISTRATION**

# OPEN HOUSE

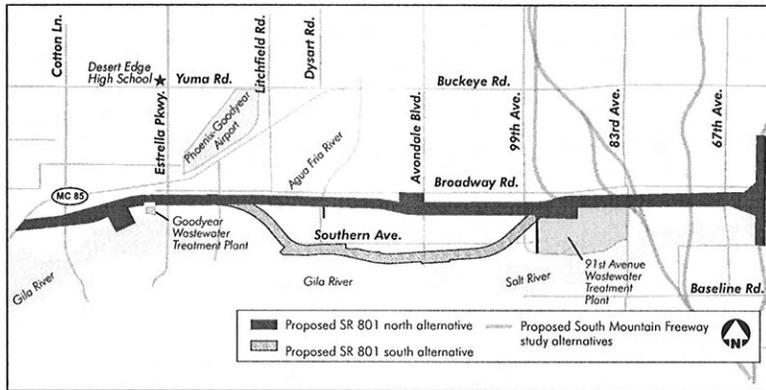

**Your input is needed on the  
proposed State Route 801**

**(Proposed Loop 303 to Loop 202 freeways)**

**Thursday, May 17, 2007  
Desert Edge High School  
Multipurpose Room**

**15778 W. Yuma Road Goodyear, Arizona**

**Open House from 6–8 p.m. (presentation at 6:30 p.m.)**

The Arizona Department of Transportation and the Federal Highway Administration are conducting an open house for the proposed State Route 801 in western Maricopa County. The SR 801 would provide another east-west route to help relieve traffic on Interstate 10. This phase of the SR 801 study involves evaluating the connection between the proposed Loop 303 and Loop 202 freeways. This freeway is one of several projects associated with the passage of Proposition 400 in November 2004.

The purpose of the open house is to present the two alternatives that are being considered for further study and to gather public input. Representatives from the ADOT study team will be present to answer your questions at the open house. Information regarding adjacent projects will also be available.

For additional study and meeting information or to submit comments in writing, please contact Michael Book, SR 801 Study Team, 3200 East Camelback Road, Ste. 350, Phoenix, AZ 85018, (phone: 602.288.9905, fax: 602.522.7707, or e-mail: ADOT@policydevelopmentgroup.com). Written comments should be submitted by June 18, 2007.

Americans with Disabilities Act (ADA): Persons with a disability may request a reasonable accommodation such as a sign language interpreter, by contacting Michael Book at 602.288.9905. Requests should be made as early as possible to arrange the accommodation. This document is available in alternative formats by contacting Michael Book at the telephone number referenced above.

TRACS NO. 801 MA 000 H6876 01L

West Valley View - May 4 and 11, 2007

EL DEPARTAMENTO DE TRANSPORTACIÓN DE ARIZONA  
Y LA ADMINISTRACIÓN DE AUTOPISTAS FEDERALES

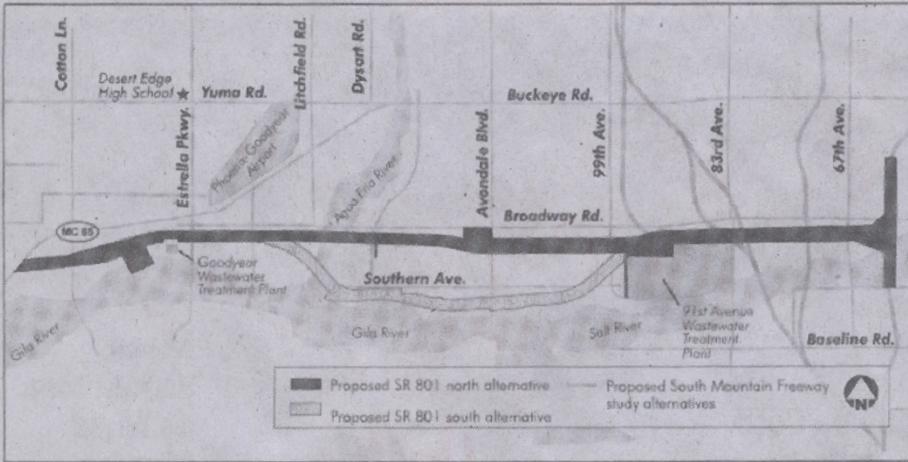

# REUNION ABIERTA

Sus comentarios son requeridos en la propuesta de la Ruta 801 del Estado  
(Propuesta de la autopista Loop 303 al Loop 202)

Jueves, mayo 17, 2007  
Desert Edge High School  
Cuarto multiusos  
15778 W. Yuma Road  
Goodyear, Arizona

Open House desde las 6 a las 8 pm (presentación a las 6:30pm)

El Departamento de Transportación de Arizona y la Administración de Autopistas Federales, están conduciendo una "Reunion abierta" para la propuesta de la Ruta 801 del estado en la parte oeste del condado Maricopa. La Ruta 801 proveerá otra alternativa de este a oeste para ayudar a aliviar el tráfico en la Interestatal 10.

Esta fase de la autopista 801 evaluará la conexión entre la propuesta Loop 303 y Loop 202. Esta autopista es uno de los muchos proyectos asociados con el pase de la proposición 400 en noviembre del 2004.

El propósito de la "Reunion abierta" es presentar dos alternativas que sean consideradas para un estudio posterior y comentarios públicos. Representantes del equipo de estudios de ADOT estarán presentes para contestar sus preguntas en esta ocasión. Información sobre proyectos adyacentes estarán disponibles.

Para estudios adicionales e información de juntas o para envío de comentarios por escrito, por favor contactar a Michael Book, SR 801 Study Team, 3200 East Camelback, Rd. Suite 350, Phoenix AZ 85018, Phone 602-288-9905, Fax: 602-522-7707 ó por correo electrónico: ADOT@policydevelopmentgroup.com. Comentarios escritos deben ser suministrados hasta junio 18, 2007.

# REUNIÓN PÚBLICA

Se necesita su participación en la Ruta Estatal 801 propuesta (Loop 303 propuesto a autopistas Loop 202)

Jueves 17 de mayo de 2007

Desert Edge High School

Multipurpose Room

15778 W. Yuma Road Goodyear, Arizona

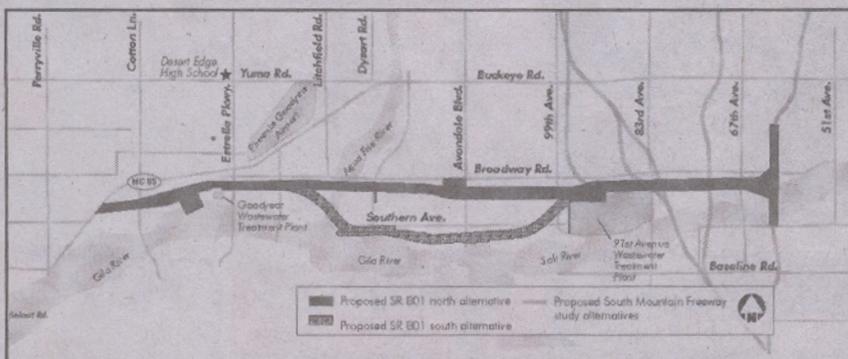

Reunión pública de 6-8 p.m. (presentación a las 6:30 p.m.)

El Departamento de Transporte de Arizona (ADOT por sus siglas en inglés) y la Administración Federal de Autopistas están llevando a cabo una reunión pública para la Ruta Estatal 801 propuesta en el oeste del Condado Maricopa. La SR 801 proveerá otra ruta este-oeste para ayudar a descongestionar el tráfico en el Interestatal 10. Esta fase del estudio de la SR 801 involucra la evaluación de la conexión entre el Loop 303 propuesto y autopistas Loop 202. Esta autopista es uno de los muchos proyectos asociados con la aceptación de la Proposición 400 en Noviembre de 2004.

El propósito de esta reunión pública es presentar las dos alternativas que están siendo consideradas para futuros estudios y conseguir la participación del público. Representantes del equipo de estudio de ADOT estarán presentes para responder sus preguntas durante la reunión. También habrá información disponible con respecto a los proyectos anexos.

Para información adicional sobre el estudio y la reunión o para enviar comentarios por escrito, por favor contacte a Michael Book, SR 801 Study Team, 3200 E. Camelback Road, Ste. 350, Phoenix, AZ 85018, teléfono (602.288.9905), fax (602.522.7707) o por correo electrónico a: ADOT@policydevelopmentgroup.com. Los comentarios por escrito deben ser enviados antes del 18 de junio de 2007.

Ley para Estadounidenses con Discapacidad (ADA por sus siglas en inglés): personas con discapacidad pueden solicitar un servicio razonable como un intérprete de lenguaje por señas, contactando a Michael Book al 602.288.9905. Las solicitudes deben ser hechas con la mayor anticipación posible para preparar los servicios. Este documento está disponible en formatos alternativos contactando a Michael Book al número de teléfono antes mencionado.
